LIFTING OPERATIONS

LIFTING OPERATIONS

Our comprehensive lifting service includes everything you need to execute the lift. No matter what you need us for, we will be able to provide you with CPCS Qualified Personnel and the appropriate equipment to get the job done.

This takes all the risk and concern away from customers, with a complete and professional tailor made package where our trained and experienced personnel manage the whole lifting process from initial concept right through to supervising the final lift.

CU Phosco Lift Services will include the following:-

- Free site visit to discuss your exact requirements
- Specify the correct crane size that you will require
- Detailed CAD assisted lift plan
- Method statements
- Risk assessments
- Berthing study
- Insurance up to a maximum liability of £25,000 in respect of goods being lifted.
- Additional insurance policies are available for higher value items.
- Fully accredited personnel
- Lifting equipment & accessories that are properly maintained, tested and certificated
